How to be married 67 years and still be in love with each other...

Building Block 1-

Strive to put God first. (Matthew 6:33)

Key Question–

What does putting God first look like for me and my marriage?

Building Block 2-

Find your satisfaction and contentment in God and Him alone. (Psalm 62:1, 5; Philippians 4:11-12)

Key Questions-

1. Where do I look to fill the God-shaped void in my life?
2. Do I approach my day or week looking to my spouse to meet the deep longings of my heart or do I look to God?

Building Block 3-

Reflect the humility and selflessness of Christ. (Philippians 2:3-11)

Key Question-

What will it look like for me to reflect the humility and selflessness of Christ in my marriage and home?
