**God’s design for life centers on relationship:**

- 1. We are created for relationship**– We are social/communal beings because we are created in God’s image. (Genesis 1:26)
- 2. We suffer a broken relationship**– The ultimate loss for mankind is a broken relationship with God. (Genesis 3:8)
- 3. We are restored through relationship**– God restores our relationship with Himself through a relationship with Christ Jesus. (Romans 5:1)
- 4. We are placed into relationship**– God places us into relationship with each other.  
(1 Corinthians 12:13; John 17:20-21;  
Philippians 2:3-4)

**Question:** How does “Body life” help you live a godly life?

**Answer:** It is your outlet to serve/give/sacrifice.

**How do I offer my life to God in worship? And how does this**

relate to the Body of Christ/Christ?

1. Do not conform to the world. (Romans 12:1)
2. Be transformed (into a servant) by the renewing of your mind (heart). (Romans 12:2)
3. Do not think of yourself more highly than you ought. (Romans 12:3)
4. But rather think soberly. (Romans 12:3)
5. Belong to the Body of Christ. (Romans 12:5)

**Give to others with a gracious spirit, a loving heart and sometimes the result is real friendship, real partnership, and real accountability.**

**Question:** What is your next step? What actions do you need to take as a result of learning some truths from Romans 12?
