**The Problem:** We are stewarding God’s resources in a manner that reflects our American culture rather than God’s heart and values.

**The Solution:** Start Living for Eternity (Matthew 6:19-21)

**Four questions a steward must ask...**

1. How am I stewarding God’s time?
2. How am I stewarding God’s talents?
3. How am I stewarding God’s treasure?
4. What does the stewarding of my time, talent, and treasure say about my heart?

\*A steward is “someone who manages or oversees the affairs or belongings of another.”
