Women reflect the Character of God in at least two outstanding ways:

I. Women can see. (Genesis 1:27, 31; Matthew 10:29-31)

A. Tips for men:

1. Shut your mouth before you say something stupid!
2. Strive to understand and cherish her!

B. Tips for women:

1. Realize that you are not broken or weird because you can't shut down your brain.
2. Be gracious with your men.
3. Speak words of truth and affirmation to yourself from God's Word.

**II. Women can feel. (2 Corinthians 1:3-4; John 11:33-35;
John 3:16-17)**

A. Tips for men:

1. Shut your mouth before you say something stupid!
2. Apologize.
3. Don't forget the little things.

B. Tips for women:

1. Lean into God.
2. Realize that feelings can be wrong.
3. Admit that you can't comfort everyone in every situation.
