

Atheists are determined to bring Christianity down completely.

“The day will come when the evidence constantly accumulating around the evolutionary theory becomes so massively persuasive that even the last and most fundamental Christian warriors will have to lay down their arms and surrender unconditionally. I believe that day will be the end of Christianity.”

G. Richard Bozarth, “The Meaning of Evolution,”
American Atheist, September. 20, 1979, p. 30.

Even atheists recognize the significance of Genesis.

“It becomes clear now that the whole justification of Jesus’ life and death is predicated on the existence of Adam and the forbidden fruit he and Eve ate. Without the original sin, who needs to be redeemed? Without Adam’s fall into a life of constant sin terminated by death, what purpose is there to Christianity? None.”

G. Richard Bozarth, “The Meaning of Evolution,”
American Atheist, September. 20, 1979, p. 30.
