**You can be wise about sex by understanding...**

- 1. There are long-term consequences as a result of the short-term pleasures of sexual sins.**  
(Proverbs 5:1-14, 6:20-35, 7:1-27)
- 2. God is for sex and wants it to be mutually enjoyed by a husband and wife.**  
(Proverbs 5:15-20)
- 3. Sexual sins and temptations are to be avoided.**  
(Proverbs 5:8, 7:7-10; 2 Timothy 2:22)
- 4. Sex goes beyond behavior and involves lust in our hearts.**  
(Proverbs 6:25; Matthew 5:27-28)

**What if I am struggling with a sexual sin?**

- 1. Come back to the gospel.**  
(1 John 1:9)
- 2. Confess your sin to someone.**  
(James 5:16)

***Every Man's Battle***  
**Wednesday Evenings**  
**September 5 through November 13**

Working through the *Every Man's Battle* book has been a useful tool in helping me and other men pursue sexual purity in our lives. The title of this book is the perfect title because every man deals with this issue. Don't believe the lie that you are the only one struggling. And don't believe the lie that men can't win this battle—it is possible to turn from our sin and live a pure life. There are success stories being written here at CBC. Shoot me an email at [troberts@cbcpa.org](mailto:troberts@cbcpa.org) and we can talk about turning your life into another success story.
